

ETFC Membership Application Form (Updated Jan 12, 2023)

Member Understandings and Commitments:

By applying for a new membership and/or a membership renewal, a member agrees and commits to: following the policies, rules and expectations established by the Club (as revised from time to time) with respect to its properties, meetings and other events; to conduct him/herself in a respectful, courteous and honourable manner on Club properties and at Club events; to respect the needs and privileges of other members regarding the Club's shared facilities; to respect and take proper care of the Club's facilities; and in general to represent the Club in a positive manner.

I agree that the Club Executive may revoke or deny my privileges to access or use the Spring Lake properties, or may revoke my membership and/or refuse to grant Club membership in future, should the ETFC Executive deem my actions or behaviour (or that of guests for whom I have responsibility) to be inconsistent with Club expectations.

The ETFC owns property on Spring Lake. As part of the normal privileges of Club membership, a member may seek (for a non-refundable fee) access to use the lock code for access to and use of the Spring Lake properties and facilities. Such usage must be in accordance with the requirements and expectations identified in the ETFC Spring Lake Property policies and rules established by the Club.
