

2025 ETFC Membership Application Form

(Membership is good from January 1 – December 31, 2025)

Member Understandings and Commitments:

By applying for a new membership and/or a membership renewal, a member agrees and commits to: following the policies, rules and expectations established by the Club (as revised from time to time) with respect to its properties, meetings and other events; to conduct him/herself in a respectful, courteous and honourable manner on Club properties and at Club events; to respect the needs and privileges of other members regarding the Club's shared facilities; to respect and take proper care of the Club's facilities; and in general to represent the Club in a positive manner.

I agree that the Club Executive may revoke or deny my privileges to access or use the Spring Lake properties or may revoke my membership and/or refuse to grant Club membership in future, should the ETFC Executive deem my actions or behaviour (or that of guests for whom I have responsibility) to be inconsistent with Club expectations.

The ETFC owns property on Spring Lake. As part of the normal privileges of Club membership, members will be given the lock code combo for access to and use of the Spring Lake properties and facilities. Such usage must be in accordance with the requirements and expectations identified in the ETFC Spring Lake Property policies and rules established by the Club.

We are asking for any boats stored at Spring Lake that you request and place an identifying sticker on your boat. Any other members who simply want a sticker you can request a sticker as well. There is no fee for this. This will help us to identify club member boats from non-member boats as this question has come up in the past.

Membership Fees:

- **Regular** - single membership, age over 18
- **Youth** - single membership, age under 18
- **Family** – spouse or common law partner, and all children aged under 18 in the same household
